Old Business  None

New Business

1. Is the MEHA membership interested in exploring - a strategic plan for the organization, an executive conference planner, legislative assistance/lobbyist, and/or allocation of funds toward professional development/education? Presenting these ideas ahead of time will help the membership decide. With limited resources, the board will need to place funds where it is most needed and valued. Good detailed discussion occurred on these ideas, as well as Treasurer duties and a rotating conference venue between Billings, Great Falls and Missoula. Past Boards have come to the same realization that starting from scratch each year makes conference planning more difficult. This year extra time was devoted to the legislative session. NEHA’s Strategic Direction is an example of a flexible plan. The budget could reflect the cost of a lobbyist should the membership decide to vote in favor of this idea. Voting is expected to occur in the fall.

Additional Conference Items: Pictures –a picture of current board member is needed. Shirts, hats and flyers need to be taken to Great Falls. Ruth will gather for Karen to transport.

Adjournment: Christine adjourned the meeting at 2:51 pm.
